Baggage allowance

If your travel arrangements include more than one airline, other baggage allowance may apply.

Baggage allowance and charges are applied for the whole trip. It is not possible to book luggage for only a part of the trip.

Baggage allowance and fees are provided for information only. Additional allowance may apply depending on the traveler's individual passenger status (e.g. Saga Club membership).

Infants (under 2 years old) have 1 checked bag (except on Economy Light) and no carry-on baggage allowance. Children from 2 - 11 years old have the same baggage allowance as adults traveling in the same class.

If your carry-on exceeds the size or weight limit, we'll check it in. Baggage fees will apply if your allowance is exceeded. A gate fee will apply if your carry-on is checked in at the gate.
